Medallion Investment Partners – Separately Managed Invested Assets

The Community Foundation’s Medallion Investment program gives you the opportunity to establish a donor advised fund at the Community Foundation, while having a qualified advisor you choose continue to manage the asset and receive investment management fees. It all adds up to a winning formula:

- donors supply the charitable passion
- wealth managers and investment advisors supply the investment expertise
- the Community Foundation supplies the charitable legacy vehicle

All get credit for the perfect charitable solution.

- Medallion status is awarded to investment advisors/firms which pass an annual due diligence review undertaken by the Community Foundation’s Investment Committee. Medallion funds are separately managed, non-aggregated funds, which receive their own investment return. The Community Foundation may charge a modest additional annual fee to the charitable fund for this service.
- The minimum amount to start a fund in the Medallion program is \$250,000 with the intent to grow to at least \$1 million.
- The minimum for non-Medallion investment partner program funds is \$25,000.
