Dear Friend,

Stanley's Dream Foundation is a non-profit 501 © (3) that provides (2) annual scholarships to graduating seniors for furthering their education. Stanley's Dream also provides annual research grants to The Children's Hospital of Philadelphia for childhood brain cancer research.

Stanley's Dream Foundation will be hosting the **10th Annual Golf Classic on Saturday, August 5, 2017 at Downingtown Country Club in Downingtown, PA.** The purpose of the Golf Classic is to continue scholarship support as well as research grants to The Children's Hospital of Philadelphia where Stanley was treated. To date, Stanley's Dream has awarded 33 individual scholarships, three scholarship grants, and eight research grants to The Children's Hospital of Philadelphia.

Stanley Edwards had a dream: his dream was to attend college. Unlike many 12-year olds, achieving his dream was complicated by the battle he was fighting against brain cancer. A gifted student and promising athlete, Stanley was diagnosed with a brain tumor at age 12. Due to the location of the tumor, surgery to remove it resulted in the onset of learning disabilities as well as paralysis of his right arm and leg, making school more difficult and preventing him from participating in the many sports he loved.

Despite these unthinkable obstacles, Stanley persevered toward his dream. Unexpectedly, in 2001 we learned that Stanley's tumor had returned. Stanley passed away in January of 2002 at the age of 14. In a tribute to this courageous young man, we created Stanley's Dream to continue his legacy.

The late Maya Angelou once said, "People will forget what you said, people will forget what you did, but people will never forget how you made them feel." With your support, Stanley's Dream Foundation will be able to fulfill dreams for those wanting to attend college but financially unable to do so, as well as giving hope to countless children suffering from brain cancer.

You may show support by attending the Golf Classic or in one or more of the following ways:
