Important Road Closure Information:

In order to maintain the highest level of safety possible, the Romig Road Victory Run Committee has received permission to close Romig Road to the general public from 11:00 AM to 1:30 PM. We have arranged for the West Bradford Fire Department to assist in coordinating the road closure and traffic.

If you need to enter Romig Road during this time period, you will need a driver's license showing your address as proof to gain access to the road.

Mark your calendars now!

Participate in the Neighborhood Event of the Year!!!

**Come for the Run/Walk or come to the
Block Party to have some fun!**

**New for 2009: Silent Auction! We'll
have a separate tent at the block party
filled with *amazing* items to bid on.**
Don't miss out.

This year's event brings Romig
neighborhood communities together to
honor Christopher Anthony.

After all race events we are celebrating
everyone's victory with a "good
old-fashioned" block party. Please
join us with family members and
friends.

Plans include great food and music all
afternoon. We look forward to a
fantastic day—having fun with our
families, meeting old friends and
making new ones, as well as
supporting our honorees, who live in
our community.

**Brandywine Ridge, Stonegate,
and Steeplechase Communities
Unite for a Wonderful Cause!**

This Year's Story

In June 2003, at the age of 6, Christopher Anthony was diagnosed with Ewing's Sarcoma, a rare form of cancer. He underwent many months of chemotherapy, several surgeries and nearly 30 transfusions before his treatments were over.

This year, we are pleased to announce that Christopher has reached a very significant milestone, 5 years cancer-free! He still visits the hospital for checkups and will continue to do so into adulthood.

Proceeds Donated To:

Children's Hospital of Philadelphia (CHOP):

Christopher's continued wish is to replenish the Oncology playroom with much needed toys, books, art supplies and video games. He knows firsthand the joy these items bring to the children undergoing painful treatments and to their families supporting them. A portion of this money will also be donated to childhood cancer research.
