

...unless we help
them bridge the
affordability gap.

WHAT WE DO

Provide assistance in navigating and completing the college search, application process, and obtaining financial aid.

Help students prepare
for college entrance exams.

Provide scholarship assistance to financially
challenged Coatesville Area High School students.

Provide professional support and guidance to
students and their families so Newlin Scholars can
succeed in college and beyond.

Partner with high school and college-based
organizations to help students succeed.

Why We Succeed

We work with students, their families, high school counselors, teachers, administrators, college admission and financial aid offices to advocate for our Newlin Scholars and to help them to achieve success. Once in college, Newlin Scholars work on an individual and group basis with program staff to obtain skills to be successful in college.
