Helping those who are grieving

Newsletter Issue #3, July 2011

**Mission Statement:** The Graham family wishes to give back to those who helped during their most devastating time, and to keep Lucy's memory alive within the spirit of this giving. The foundation awards grants to organizations that assist families dealing with traumatic circumstances.

We've had another busy year here! The 3rd Annual Benefit Dinner was March 18th at Milestones Events in West Chester, PA. A big thank you to those who came out, it was a lovely evening.

The 3rd Annual 5K Race & Cookout was held on June 4th at Everhart Park in West Chester!

Through our fundraisers, we are currently trying to help people experiencing loss on a broad level, as far as awarding

grants to different community organizations. In the coming

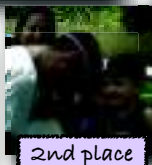

future, we intend to bring it to a more personal level - such as providing meals, information on resources available for those grieving, free or reduced cost therapy, and even financial assistance with bills. Working during a time of loss is difficult, if not impossible - yet another burden for families. We were extremely fortunate to have a lot of support during our time of need, but we want to assist people who aren't as fortunate. Thank you for helping us do that!
