Dear Jerry,

On behalf of Living Beyond Breast Cancer (LBBC), thank you for the generous contribution of \$2,000.00, in memory of Jane Gerlach Booge, in support of the LBBC Fund. This gift was made by Sweet Jane's Wish Foundation, A Fund of the Chester County Community Foundation and received on November 29, 2022.

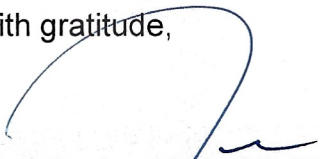

Your gift makes a difference. The LBBC Fund cares for women in active treatment, granting them financial assistance to pay for basic needs. Cancer is expensive, and for too many families the additional costs can be devastating. These grants provide some breathing room so they can focus on taking care of themselves. Grant recipients are also connected to our free medically vetted educational resources and our community of support. An LBBC Fund recipient shares:

"I would like to thank LBBC for providing support, education, and the financial grant. For me the topic of breast cancer recovery has stretched its fingers into so many areas of my life (femininity, self-image, sexuality, financial health, employability, well-being). LBBC has the resources that delve into all these areas. I am so grateful!"

We are committed to being good stewards of the donations you give to LBBC. For 17 straight years, we have earned a 4-star rating from Charity Navigator. We also have the Platinum Transparency rating on Guidestar (now known as Candid).

We are grateful to you for believing in our work and promoting our mission. Your gift helps us make sure that no one feels alone or uninformed. Thank you for being part of our community.

With gratitude,

Jean Sachs, MSS, MLSP
Chief Executive Officer

*Thank you for your continued
support of our work.*

P.S. All contributions are fully tax-deductible to the extent provided by law. Please save this letter as documentation that you received no goods or services in exchange for this gift.
