Since its inception in 2011, Whitford members, friends and community come together for one weekend socializing, golfing, tennis and pickleball, with the highlight being Friday night’s Gala Auction.

Whitford Gives Back

The Whitford Charitable Fund has given over $1.2 Million grants to over 70 local non-profit organizations in Chester County. Whitford is the only country club in the Philadelphia region to organize a member driven event that raises funds for the non-profit community.

The Whitford Charitable Fund is a non-profit organization founded by the members of the Whitford Country Club, providing our members with an opportunity to give something back to qualified non-profit organizations in Chester County who perform good works in the community in which we live, work, play and raise our families.
