Sweet Jane's Wish Foundation
Attn: Jerry Gerlach, President
2 Maggie's Lane
Downingtown, PA 19335

Dear Mr. Gerlach:

Thank you for the thoughtful grant of \$2,000.00 on 12/9/2022 *in memory of Jane Earline Gerlach Booge* from Sweet Jane's Wish Foundation, through the Chester County Community Foundation, to The Chester County Hospital Foundation in support of SHiNE Initiatives. This grant provides membership in our Founders' Society, which recognizes donors whose cumulative giving for this fiscal year is \$1,000 or more.

The Chester County Hospital Foundation was established in 1983 to seek philanthropic support from the community to help the hospital fulfill its mission. Support from our wonderful community has been essential in our effort to bring the most advanced health care to Chester County.

SHiNE is celebrating 22 years of service to patients living with cancer in our community. Your gift makes a tangible difference by offsetting the cost of cancer care and providing support services for patients of the Abramson Cancer Center at Chester County Hospital. In addition to providing the most up-to-date procedures and latest cutting edge technologies, we offer a human touch in cancer treatment -- a Nurse Navigator and Social Worker -- helping patients navigate their way through the often overwhelming challenges of the medical world and insurance requirements. Additional services offered are transportation to appointments, complimentary wigs, padfolios to make the logistics of care easier, reimbursement for anti-nausea medications, fitness training, support groups, and therapeutic massages.

Thank you, again, for making an investment in our community and advancing the future of health care at Chester County Hospital. Together, with ongoing philanthropic support and dedicated and compassionate team members, Chester County Hospital continues to progress towards a higher level of excellence.

Sincerely,

Michael J. Duncan
President and CEO
