William “FINN” Lukens

Stephen Chandler Ericson Scholarship Recipient

Bucknell University – Chemical Engineering
\$14,000.00

William “FINN” Lukens – Testimonial

“When I found out I was awarded the Stephen Chandler Ericson Scholarship, I was very surprised because I had not applied for it. But, as it turned out, teachers at my school had nominated me for this award, which I am very thankful for. When I started to learn more about Stephen, I realized that I had heard Stephen’s story many times at Roslyn Swim Club, during championships. After, I was able to get in contact with the Ericson family, whom I owe many thanks. Stephen’s story is an example of how fast life can change. It helps us realize that we need to cherish every moment we have. With this scholarship I’ll be able to further my academic and athletic life at Bucknell University. With this scholarship, the financial load will be greatly lessened. Thank you to all who have made this possible.”
