

# *Ushering in a New Era of Community Foundations Leading Change*

**July 23, 2019**

**Community Foundation  
Regional Gathering**

# Introduction

## Speaker:

Deborah A. Ellwood

President and CEO, CFLeads

## Agenda:

- Who We Are
- What We're Observing
- What We Offer

# Who We Are

We help community foundations build strong communities by advancing **effective practices**, **sharing knowledge**, and **galvanizing action** on critical issues of our time

In 2018, we worked with more than **750** individuals representing **370** community foundations and partners across the country to support their community leadership capacity

# What We're Observing

**A new era of community foundations who are striving to:**

- Align activities around their community betterment mission
- Engage with and influence the public sector
- Be of, by and for the community
- Address the business model

# What We Offer
