

## Whitford Gives Back

**Since its inception in 2011, the Whitford Charitable Fund has given over \$950,000 to more than 56 local organizations in Chester County.**

The Whitford Charitable Fund is a non-profit organization founded by the members of the Whitford Country Club, providing our members with an opportunity to give something back to qualified non-profit organizations in Chester County who perform good works in the community in which we live, work, play and raise our families.

### The Whitford Classic - Friday - Sunday, September 20-22, 2019

Whitford members, friends and community members spend the weekend golfing, and playing tennis. The highlight of the weekend is Friday night's Gala Auction Dinner Dance. All of these activities, working with the chosen organizations, raise money to give something back to local groups serving in our communities.

## Impact on the Local Community

“Two of the hallmarks of our legacy in the Phoenixville community are tuition scholarship assistance for needy families and supplying a hot, nutritious lunch to all youngsters in our care. The funds you have provided will go towards continuing these important foundations of the PACLS program.”

Julian McCracken, Phoenixville Area Children's Learning Center

“The Friday night gala was a fabulous and fun evening. Our Board members and friends had a terrific time and I am sure we as a group consumed a very large bit of that amazing seafood buffet!...We are grateful not only for the funds raised by the event but also for the opportunity to be a part of the events and raise awareness of our efforts within the community.”
