25TH ANNIVERSARY VIDEO CHATS WITH
FOUNDING & EMERITUS BOARD MEMBERS

Our 25th anniversary is a milestone so large that our **celebration lasts all year**. This report showcases our initiatives to **INSPIRE** & **CELEBRATE** & **GROW** legacy philanthropy throughout 2019.

We **INSPIRE** philanthropy by getting the word out in a myriad of ways. In this report, you'll see how we capitalize on video, social media, print media, forums, trainings and gatherings.

We **CELEBRATE** philanthropy each day, but especially at Sweet Charity and our 25th Anniversary reception. Thanks to our hosts and guests, these silver events shined brightly this year.

- During our anniversary year, we continue to **GROW**. The Community Foundation:
- proudly awarded **\$3.2 million in grants and scholarships** (3/4 million more than last year)
 - welcomed **32 new funds**, bringing the total number of funds to **394**
 - received **2,000** contributions totaling **\$8.3M**. Individual generosity grew, as monetary donations increased **45%** compared to last year.

During our first quarter century we awarded **\$43 million to the community** via **10,300 grants and scholarships**.

- Through the years, we have seen that philanthropy grows due to the inspiration and action of:
- **individuals, families & friends**
 - **community neighbors, civic groups, nonprofit causes, business groups & more.**

Our cover collage includes some of our **new faces of philanthropy**—people who created new funds during our 25th anniversary year. Please join us. We are eager to support the vibrant initiatives of the next wave of people who want to make a significant positive difference, now and **forever**.

Legacy Funds: What Legacy Will You Leave?

Legacy philanthropy is much more than sending a check. It ensures your continuing support for causes you care about, in perpetuity. It gives you the opportunity to carry on a family giving legacy. Combined with careful estate planning, it ensures that your personal resources are used to accomplish your financial and charitable goals.

Gifts to the Community Foundation can be made at any time to provide grants for current community needs and for perpetuity. By establishing a fund with the Community Foundation, you receive:

- **Permanence:** The Community Foundation's trusteeship ensures that your contribution will continually meet needs relevant to your interests.
- **Commemoration:** Your name or the name of a loved one can live on through your fund. If you prefer, you may choose a name that reflects your fund's charitable purpose.
- **Stewardship:** The Foundation's Board of Directors, with guidance from its Investment Committee, staff, and outside investment counsel, closely monitors the performance of professional investment managers. The Foundation makes a full accounting to the community through its annual report, audit, and IRS Form 990.
- **Grantmaking Expertise:** The Community Foundation expertly assists in identifying charitable organizations and programs that address your particular interests and core values. Grant awards are made to bona fide nonprofit causes throughout the United States.

The Community Foundation primarily holds endowed funds in trust. We also manage some provisional funds.

- **Endowed Funds** are allowed up to a 5% grant payout for perpetuity, to assure that grant funds are always available to help nonprofits.
- **Quasi-Endowed Funds** are allowed up to a 20% grant payout, which means the principal will be diminished over time.
- **Provisional Funds** can be paid out in full at any time.

LIFETIME GIFTS

Your charitable interests can be supported during your lifetime—and in perpetuity—through your gift. You will have the satisfaction of seeing the impact of your generosity as you carry out your charitable objectives.

FUTURE GIFTS

The Community Foundation can help you articulate your wishes for gifts commencing after your lifetime. The Community Foundation accepts most planned giving vehicles, including charitable gift annuities, bequests, retirement fund assets and life insurance. If you decide to leave a planned gift to the Community Foundation, or to a fund at the Community Foundation, please let us know so that we can properly carry out your wishes.

TYPES OF FUNDS

CCCF Funds

- **Fund for Chester County** gifts enable the Grants Committee to award strategic grants to Chester County nonprofits.
- **Lincoln Building Fund** gifts support the renovation and repair of the Foundation's historic 1833 headquarters.
- **Operating Endowment** gifts allow the Foundation to focus on its core mission, growing legacy philanthropy throughout the region.

Field of Interest Funds

Donors who seek to impact a targeted issue area (arts, education, environment, health, human service, religion) or specific geographic region establish Field of Interest Funds. By naming an interest area rather than a specific organization, flexibility exists to meet ever-evolving community needs.

Donor Advised Funds

An alternative to a private foundation, Donor Advised Funds are popular with donors who wish to establish a Foundation without incurring administrative operating and compliance filing burdens, while capitalizing on the Community Foundation's philanthropy expertise and nonprofit field research. Donor Advised Funds enable individuals, families, community groups, and businesses to focus their philanthropy and make grants that impact the causes they care about most.

Organizational Endowment & Nonprofit-Designated Funds

These are created by nonprofit organizations and individual donors who care about the long-term success of particular nonprofit charities. This supports specific charitable organizations for perpetuity, while the Community Foundation manages investments professionally and monitors for accountability.

Scholarship Funds

Establishing a Scholarship Fund allows the donor to support students pursuing education beyond high school. A donor may name the scholarship's selection committee and the guidelines for candidate selection. Most scholarships at the Community Foundation benefit disadvantaged, promising students from a particular high school, or those who pursue a particular field of study.

Memorial Funds

Donors can quickly and cost-effectively create commemorative funds honoring people they hold dear.

WAYS TO GIVE

There are many ways to become part of the Community Foundation and make a lasting contribution to our community:

- Focus your gift with a contribution to a **Field of Interest Fund** (arts/culture, health, human services, religion, education, environment)
- Establish and name **your own fund**, a family fund, a scholarship fund, or a memorial fund, with a gift of \$25,000 or more
- Establish a fund to benefit a **specific nonprofit charity (or charities)**, with a gift of \$25,000 or more
- Support Chester County's greatest needs and opportunities by contributing any amount to our **Fund for Chester County**
- Enable the Community Foundation to reach out and recruit new legacy philanthropists by contributing any amount to our **Campaign for Independence Operating Endowment**, annual **Friends** campaign, or **Emerging Philanthropy Initiative**
- Maintain and restore the Foundation's historic headquarters with a contribution to the **Lincoln Building Fund**
- Give **anonymously**
- Create a **testamentary** fund: open it now, fund it later
- Make a **planned gift**—through your Will, a charitable trust, or a charitable gift annuity—to support a thriving, healthy Chester County community for years to come.

The Community Foundation accepts a wide variety of gifts including:

- Cash
- Publicly traded securities
- Closely-held and pre-IPO stock
- IRAs
- Life insurance with the Community Foundation as owner and/or beneficiary
- Remainder of a Charitable Remainder Trust
- Remainder of a Pooled Income Fund
- Lead gift of a Charitable Lead Trust

Nancy Petersen

The Community Foundation is pleased to spotlight Patrick C. O'Donnell, Esq. as this year's Door Opener, as a result of estate planning work undertaken with Nancy Petersen.

Pat's good friend and client Nancy Lynn Petersen left her mark on each community where she lived, actively embodying the true spirit of informed, compassionate, civic engagement.

Born near Pittsburgh, PA, Nancy graduated from Muskingum College in Concord, OH in 1961. Upon moving to Philadelphia, Nancy was an integral figure in the South Street renaissance in the 1960s and '70s due to her involvement with the Theatre of the Living Arts. She helped establish Philadelphia's first Earth Day. For the country's 200th anniversary, Nancy helped organize the Bicentennial Wagon Train that crossed the United States in 1976.

As a reporter for the Philadelphia Inquirer, Nancy covered politics, social justice, community development, and the environment within Chester County for over two decades. One of her editors, Jim Asher, recalled, "Nancy was known for her encyclopedic knowledge of Chester County's political players, plus her tenacity and grace." Another editor said, "Nancy was modest and cheerful, smartly subversive, generous to colleagues, and totally plugged into the community she covered."

Nancy loved vacationing on the Eastern Shore of Virginia. In 2011 she "retired" to Onanock, VA and continued to be active in her community. An avid bird watcher, Nancy joined the Eastern Shore Bird Club and obtained her certification as a Master Naturalist. She helped with the Eastern Shore's marshlands, served as a board member for the Friends of the Accomack Library, and led discussions and served on the board for The Academy for Lifetime Learning. For the Accomack County Democratic Party, Nancy served as Secretary and also Treasurer.

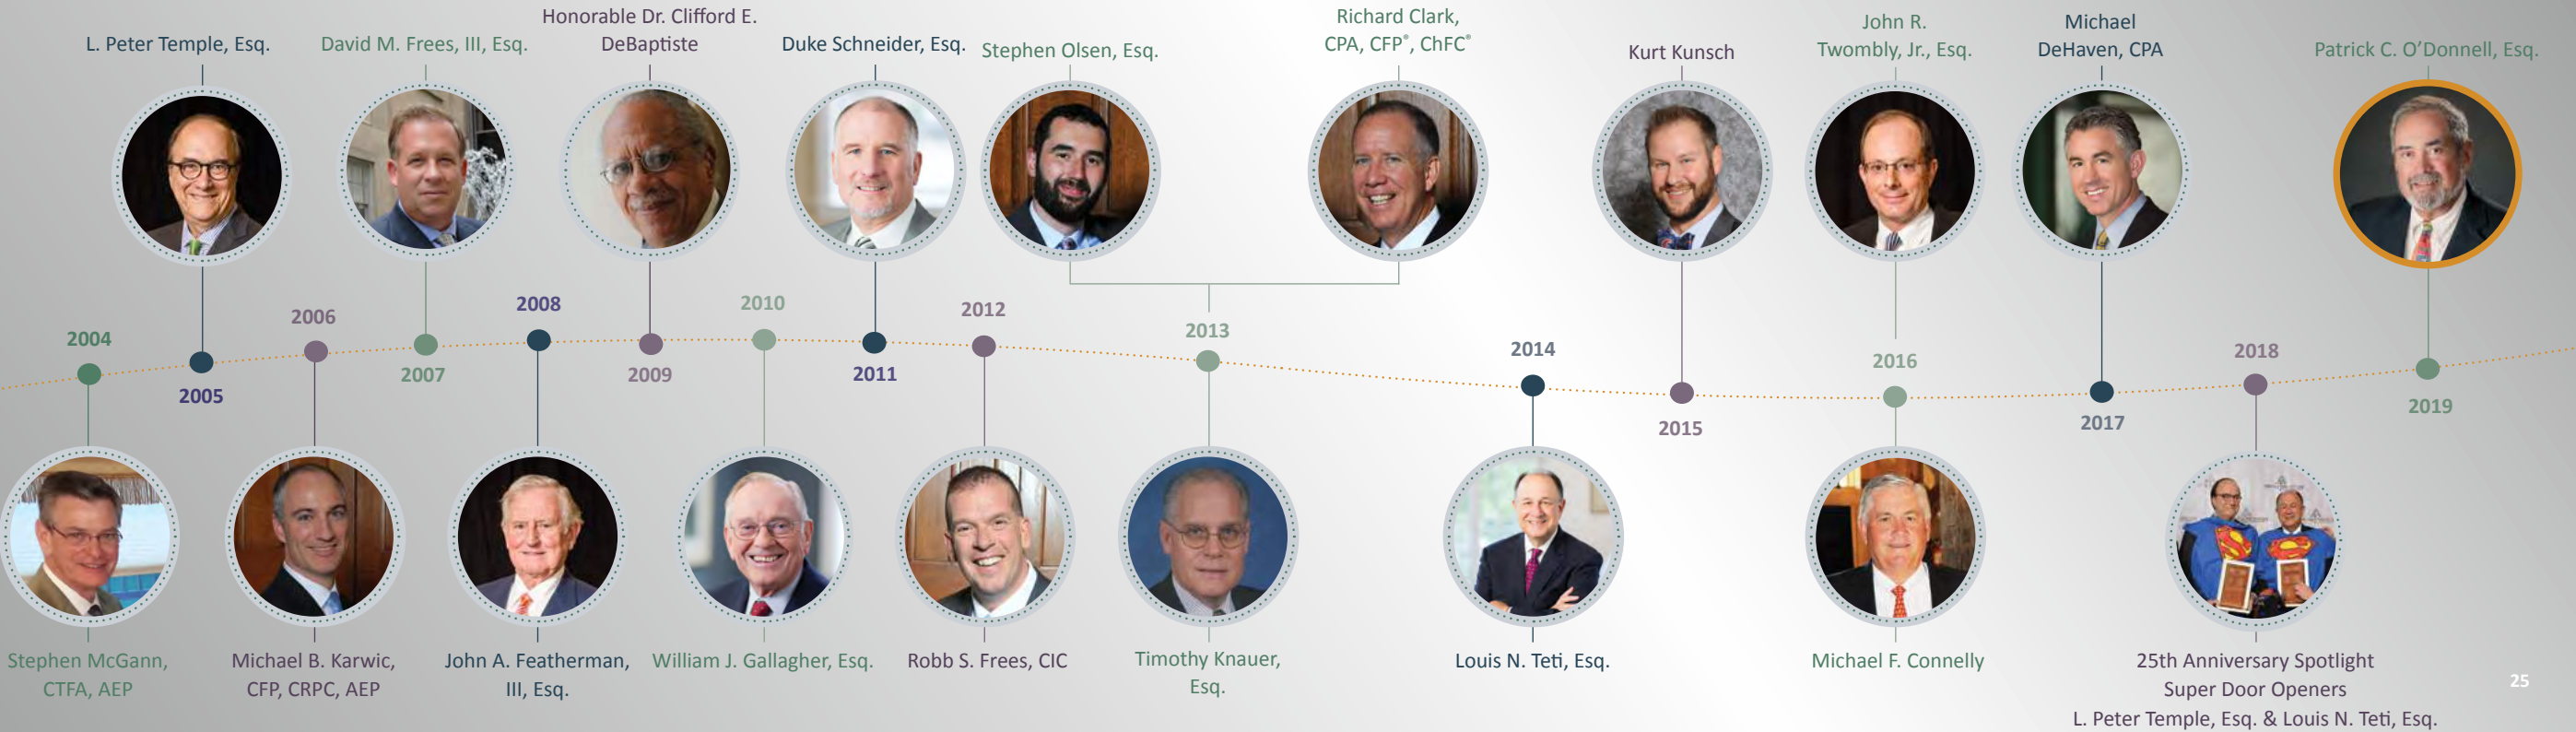

Before she left Chester County in 2011, Nancy had made arrangements in her will to leave a portion of her estate to the Chester County Community Foundation. Upon Nancy's passing in 2017, her estate attorney and close friend Patrick C. O'Donnell Esq. recommended that Nancy's estate gift be earmarked to the Grantmaking Fund for Chester County, so that the Community Foundation can make grants to honor Nancy's civic engagement and environmental concerns for perpetuity.

Known far and wide for his longstanding civic engagement, Pat is of counsel at Gawthrop Greenwood, PC. He focuses on municipal, land use and estate issues. Pat represents municipalities, zoning hearing boards, developers, financiers, homeowners, estates, families and elder clients. With 40+ years of experience, Pat's wisdom is so highly valued that the Chester County Bar Association deemed him qualified to serve as a judge. Pat has served twice as a Chester County Commissioner, elected in 1979 and appointed in 2007.

Patrick graduated from King's College with his B.A. in 1970. In 1975 he earned his J.D. from Dickinson School of Law where he graduated Manga Cum Laude after working as a field examiner for the PA Department of Revenue.

In addition to having served as a Board member of the Chester County Bar Association and the Chester County Community Foundation, Pat has served as a Board member and volunteer for scores of Chester County nonprofits. This includes Chester County Historical Society, Family Services of Chester County, Good Fellowship Ambulance Club, Planned Parenthood of Chester County and West Chester Friends School.

Pat and his wife, Hannah Gardener, Esq., reside in West Chester and Bermuda. We are privileged that they continue to vibrantly serve our community.

In 2019, contributions totaled
\$8.3 million from 2,000 donors.
This is a 45% increase from last year
in terms of dollars donated.

Donors & Sponsors

The Community Foundation gratefully recognizes our donors who create and contribute to the Community Foundation's family of funds. Special thanks to those who so generously contribute to the Foundation's own core operating annual, capital, grantmaking and endowment funds.

DONORS 7/1 TO 6/30

Due to space limitations, donations over \$150 are included in this listing. All donations are vital to us.

Investment Management

PORTFOLIO OBJECTIVES

The Community Foundation is committed to prudent investment management strategies and fiscal policies that it believes will lead to the long-term growth of endowment fund principal and meet the Foundation’s distribution policy objectives. The Community Foundation seeks to preserve and enhance the value of the portfolio’s assets by providing long-term growth greater than the rate of inflation and fee costs, while recognizing that prudent risks must be taken.

The Community Foundation’s investment goals are:

- 1. To achieve a return in excess of the target return (defined below).
- 2. To minimize portfolio drawdown risk, to the extent possible, in seeking to achieve the Foundation’s long-term growth objectives.

Endowed Funds Long-Term Target Return:

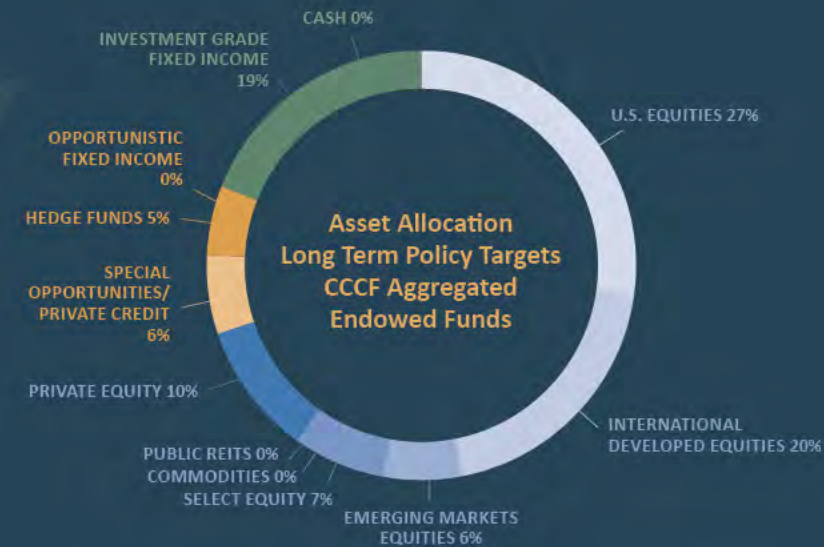

The Community Foundation desires a long term target return that provides portfolio growth, exceeds inflation, covers investment fee expenses, covers the Foundation’s administrative fee, and covers the annual grant payout (of up to 5% of the previous fiscal year end balance). Based on the fluctuating actual spend, the minimum required long term target return will be defined as the trailing 5 year actual spend rate + Current CPI + administration fees.

Quasi-Endowed Funds Long-Term Target Return:

The Community Foundation desires a long term target return that provides portfolio growth, covers investment fee expenses, covers the Community Foundation’s administrative fee, and partially covers a potential annual grant payout (of up to 20% of the previous fiscal year end balance).

Policy Portfolio Structure and Ranges

ASSET CLASS	BENCHMARK	ENDOWED RANGE	QUASI RANGE
GROWTH	ACWI ETF	60% – 80%	40% – 60%
DIVERSIFIERS	Bar Cap ETF	0% – 30%	0% – 20%
TOTAL FIXED INCOME	Blend	10% – 40%	20% – 60%

CHIEF INVESTMENT OFFICER FIRM
— AGGREGATE INVESTED ASSETS

HIRTLE, CALLAGHAN & CO.

Hirtle Callaghan works with the Community Foundation to develop a formal Investment Policy designed to best meet the Community Foundation’s long-term objectives. The Investment Policy is formulated on a long-term, broadly diversified strategic asset allocation plan with asset class targets and operating ranges.

As the Community Foundation’s CIO, Hirtle Callaghan’s full time focus is to deliver strategic and proactive asset class guidance and total investment program implementation of the portfolio’s assets including the identification, selection, and termination of investment managers. Hirtle Callaghan is also responsible for retaining and directing the activities of the independent custodian, and all other vendors involved in providing data, analysis and other services used to manage the portfolio. Hirtle Callaghan provides quarterly statements and performance reports, net of all fees, with comparisons to relevant benchmarks.

MEDALLION INVESTMENT PARTNERS
— SEPARATELY MANAGED INVESTED ASSETS

The Community Foundation’s Medallion Investment program gives you the opportunity to establish an endowed fund at the Community Foundation, while having a qualified advisor you choose continue to manage the asset and receive investment management fees. It all adds up to a winning formula:

- donors supply the charitable passion
- wealth managers and investment advisors supply the investment expertise
- the Community Foundation supplies the charitable legacy vehicle

All get credit for the perfect charitable solution.

- Medallion status is awarded to investment advisors/firms which pass an annual due diligence review undertaken by the Community Foundation’s Investment Committee. Medallion funds are separately managed, non-aggregated funds, which receive their own investment return. The Community Foundation may charge a modest additional annual fee to the charitable fund for this service.
- The minimum amount to start a fund in the Medallion program is \$250,000 with the intent to grow to at least \$1 million.
- The minimum for non-Medallion investment partner program funds is \$25,000.

There are three Levels of Medallion Investment Partners for Separately Managed Accounts:

 <p>GOLD Foundation Funds Invested</p>	      
 <p>SILVER Planned Gift Pledge Investment Partner</p>	 
 <p>BRONZE Pre-approved as Medallion partner, no funds yet</p>	 

WE HELP YOU FIND THE BEST CHARITABLE SOLUTIONS...

Individuals increasingly expect their professional advisors to assist them with strategic philanthropy as part of overall planning.

The Community Foundation is a philanthropy resource for estate planning attorneys, wealth managers, financial planners, and CPAs:

- the client understands their own needs and desires
- the advisor understands their client’s financial and estate circumstances
- the Community Foundation understands legacy philanthropy

It’s a winning partnership. The Community Foundation helps advisors and their clients customize philanthropy solutions for their specific situations. Whether it is through a gift of appreciated securities or real estate, a non-cash asset, a life insurance policy, or bequest, there are many ways the Community Foundation helps professional advisors find solutions, to help fulfill dreams of giving to the community.
