CCCF COVID-19 Rapid Response Mini-Grants

Per IRS Regulations, applicants must be charitable, tax exempt organizations with 501(c) (3) certification & cannot be individuals.

Background/Eligibility

The Community Foundation's COVID-19 Rapid Response Fund provides flexible resources to **Chester County nonprofits** that are disproportionately impacted by coronavirus and the economic consequences of this outbreak. This is designed as a flexible short-term response fund to provide relief for a variety of unexpected costs. We envision three funding priority levels:

- **Front Line Grants** fund community-based nonprofits that have increased demand for services due to COVID-19. These nonprofits have deep roots in community and a strong track-record serving people who are immediately and disproportionately suffering from this crisis. This includes services to financially vulnerable people who work in industries without sick leave &/or health care; homeless people; and health-challenged vulnerable people. Grants are intended to complement the work of public health officials and expand local capacity to address acute needs of the outbreak as efficiently as possible. These grants are NOT of the scale to support larger public institutions that are strained by increased demand for services. Examples of the types of nonprofits in most need of Front Line Grant Support, as service numbers rise: community-based health clinics; food bank & food pantries; meal delivery programs; homelessness programs.
- **Service-Challenged Grants** fund nonprofits that are modifying their in-person service delivery modes extremely rapidly due to COVID-19, and need assistance to do so. These nonprofits likely need additional assistance to upgrade sanitation protocols and obtain cleaning supplies & service personnel. This includes: youth centers, recreation centers, child care, senior services, adult day care, community-based education programs.
- **Collateral Damage Grants** fund nonprofits facing extreme difficulty because of lost revenue due to closures and cancellations, as well as other challenges.
