--- Brief Mission Statement ---

We rescue thoroughbreds from feed lots and kill pens and transition horses directly off the track. After quarantine and careful evaluation, horses are adopted into loving homes as sport horses and pets.

--- In brief, what is your proposed use of the grant you are applying for? Please include 3 to 5 goals you expect to achieve with the funding. ---

To continue our popular TB only clinic series at the farm with well known professionals. These clinics are free for MAHR grads and low cost for all other thoroughbreds. This gives incentives to adopters to adopt a TB from MAHR, as well as gives us the opportunity to see our adopted horses and their new owners on a regular basis. It also spotlights the many wonderful qualities of thoroughbreds as sport horses. We get a lot of spectators at our clinics as well, and they get to see thoroughbreds and their riders with a variety of skill levels and goals.

--- If you received a grant from TERF (Thoroughbred Education and Research Foundation) previously, please describe how those funds were used. ---

We hold 4-6 "TERF" TB only clinics at the farm each year, using top instructors such as Sally Cousins, Sally Shirley, Priscilla Godsoe, Nancy Ashway, Tara Ziegler, etc. Each clinic typically has 12-16 participants ranging from introducing ground poles to jumping sizeable fences, as well as basic and advanced flat work.

--- Please list the other organizations or major contributors that have provided funding to your organization within the last calendar year. ---

Thoroughbred Aftercare Alliance (accredited), Thoroughbred Charities of America, ASPCA, Maryland Jockey Club, Delaware Park, etc.

--- Please describe your charity's public education/research efforts. ---

TERF clinics, regular open houses, booths at events such as Preakness week, horse expos, etc., tours for 4H and other groups, participation with University of Delaware equine Science Capstone program, Retired Racehorse Project sponsor and makeover participant, etc.

--- Please describe any publicity your charity has earned within the last calendar year. Copies of news articles or a brief summary of news coverage are acceptable. ---

--- List 2-3 things that distinguishes your organization and why TERF should fund this proposal. ---

We are widely respected and well known across the country, with the highest standards of ethics and accountability. TAA refers to MAHR as the "gold standard" of rescue! We have an amazing team of employees, volunteers, supporters, and adopters, all with an amazing focus on quality aftercare.
