--- Brief Mission Statement ---

To encourage the ownership of Thoroughbreds as sport horses by rewarding those who own and ride them.

--- In brief, what is your proposed use of the grant you are applying for? Please include 3 to 5 goals you expect to achieve with the funding. ---

We use the money to fund the TERF Good Ambassador Scholarships awarded to competitors at our show who demonstrate promise as trainers/riders of Thoroughbred sport horses, and to help fund the free clinic hosted by our show each year.

--- If you received a grant from TERF (Thoroughbred Education and Research Foundation) previously, please describe how those funds were used. ---

As described above.

--- Please list the other organizations or major contributors that have provided funding to your organization within the last calendar year. ---

See list to be sent to Office@TERF.org encourage ownership of Thoroughbreds as sport horses by rewarding those who own and ride them

--- Please describe your charity's public education/research efforts. ---

We offer educational opportunities to riders of Thoroughbred sport horses by providing a welcoming horse show to acquaint them with competition, scholarship opportunities, and a free clinic with a prominent professional

--- List 2-3 things that distinguishes your organization and why TERF should fund this proposal. ---

To our knowledge, we are the only show in the nation to provide financial and educational support to riders of Thoroughbred horses throughout the career of the horse. The Retired Racehorse Program offers similar support, but only to riders whose mounts have just started their second careers.

--- Space for Additional Information and Notes ---

My sincere apologies for the lateness of this application. I was unaware that the application date was sooner this year than last, and hope you will still consider our request.
