

The Chester County Nonprofit Innovation & Resiliency Fund

Administered by the Chester County Community Foundation

In cooperation with regional funders, donors, united funds and County government departments

Recognizing the importance of the nonprofit sector to the high quality of life throughout Chester County, the Chester County Commissioners have allocated \$3.5M to help nonprofits recover with innovation and resiliency. This funding is from the federal Coronavirus Aid, Relief, and Economic Security (CARES) Act.

Per the CARES Act, grants must cover unforeseen financial needs and risks created by the COVID-19 public health emergency. **This includes grants to implement and publicize the safe resumption of programs and services.** The Community Foundation seeks proposals to support innovative, resilient COVID recovery needs, such as:

- Program and service redesign, in light of social distancing and public safety requirements
- Innovative technology to support virtual, mobile and/or pop-up programs and services
- Redesigned and reconceived marketing, fundraising and special events
- Strategic planning pivoting, refinement and revisions in light of COVID-19
- Partnership, merger, consolidation and/or acquisition activities due to COVID-19 impacts
- Infrastructure improvements due to COVID, including plexiglass dividers, technology upgrades, etc.
- Higher operating costs related to cleaning and social distancing requirements
- Other one-time or increased expenses incurred related to COVID-19.

This is a competitive, time-sensitive grants process. Grant decisions will be made weekly, on an ongoing basis. Electronic grant applications are only accepted by e-mail. No paper applications are accepted.
