--- Brief Mission Statement ---

MidAtlantic Horse Rescue Inc. buys thoroughbred ex-racehorses from auctions, feedlots, and kill pens, and transitions thoroughbreds directly off the track. After quarantine and careful evaluation, we place them in loving homes as sport horses and pets.

--- In brief, what is your proposed use of the grant you are applying for? Please include 3 to 5 goals you expect to achieve with the funding. ---

Continue the popular TERF Clinic series with well known clinicians. These subsidized clinics are open to thoroughbreds only. MAHR grads are free and all other TBs are \$40 per horse.

- 1) Provide quality continuing education to adopters
- 2) Provide reduced fee continuing education to thoroughbred owners
- 3) Increase exposure to our program and adoptable horses
- 4) Increase exposure to all thoroughbreds in careers after racing.

--- If you received a grant from TERF (Thoroughbred Education and Research Foundation) previously, please describe how those funds were used. ---

2020 funds were used to present clinics with leading event rider and thoroughbred advocates Sally Cousins and Sally Shirley. Clinic spaces were limited due to COVID19 and social distancing requirements but over 40 riders participated as well as a limited number of auditors.

--- Please list the other organizations or major contributors that have provided funding to your organization within the last calendar year. ---

Thoroughbred Aftercare Alliance, Thoroughbred Charities of America, ASPCA Rescuing Racers Initiative, Beyond the Wire, Delaware Park

--- Please describe your charity's public education/research efforts. ---

Because of the 2020 pandemic, we were not able to have our seasonal open houses or booths at major racing days at MidAtlantic tracks. We did hold the TERF clinics and continue to give tours of the farm to small groups (under 10 related people).

--- Please describe any publicity your charity has earned within the last calendar year. Copies of news articles or a brief summary of news coverage are acceptable. ---

Magazine- Spring 2021 The Bugler's Call Off Track Thoroughbred Magazine -Spring 2021- Evaluating prospects (features three MAHR horses) MidAtlantic Thoroughbred Magazine- Spring 2020 - 10 years ago- recap: MidAtlantic Horse Rescue moved to Woodstock Farm

--- List 2-3 things that distinguishes your organization and why TERF should fund this proposal. ---

We are one of the pre-eminent thoroughbred aftercare programs in the country, placing over 2000 horses since our inception. Founded in 2002, we have been at the forefront of aftercare and transitioning thoroughbreds off the track and into new homes. The TERF clinics are hugely popular and always over subscribed, and really highlight the abilities and temperaments of OTTBs as well as the capabilities of their owners, from advanced beginners to amateurs to professionals.

--- Space for Additional Information and Notes ---

I will email some clinic pictures separately. We hope with increased funding we can hold five-six clinics over the course of 2021. Thank you!
