

# CULTURE BUILDS COMMUNITY

Arts + Culture + Historic Preservation =  
Creativity + Diversity + Tourism + Economy

Main Streets & The Cultural Economy - June 16 at 12pm

Join us on Zoom to discuss opportunities and obstacles facing arts, culture, and heritage organizations in our downtown communities.

West Chester - John O'Brien

Oxford - Brian Dix

Kennett Square - Bo Wright

# Culture Builds Community

Vibrant Arts Culture = Thriving Communities

## Main Streets & The Cultural Economy

1. What's the "temperature" of your downtown areas? Which places are busy & which are not? How are COVID impacts being dealt with by people & places?
2. How can arts, culture, & heritage nonprofits play an even more vital role in your downtown community? What opportunities & obstacles face them? Please share examples of successful (or unsuccessful) culture initiatives.
3. As you look ahead, what are your longer-term plans for increasing the vitality of your downtown community? How could/does culture fit in?
