

Door Opener Award

Spotlighting stellar professional advisors who bring legacy philanthropy to the attention of their clients and colleagues.

The Community Foundation is pleased to spotlight Anthony Morris Esq. as this year's Door Opener.

CEO Karen Simmons explains, "Part of the reason that Tony Morris was chosen to serve as our Board Chair for the past two years is due to the low-key way he introduced the Community Foundation as an option over the past decade. As Chair, Tony was even more vocal about the Community Foundation. Now that his tenure as Chair is up, it's high time we bestow this award upon Tony."

Chair of the Trusts & Estates Department of Buckley, Brion, McGuire & Morris LLP, Tony focuses on Wills & Trusts; Estate Planning & Administration; Small Business Transactions & Succession Planning; as well as Banking Transactions, Loan Documentation & Work-out.

Actively involved in the community, Tony has also served as a board member of the Chester County Chamber of Business & Industry; the Wealth Advisory Board of DNB First; and a volunteer with United Way of Chester County; Handi-Crafters; Episcopal Academy; and First Presbyterian Church of West Chester. Tony also served on Chester County's first 911 Commission.

Tony and his wife Betty have four adult sons and four grandchildren. They created the Nicholas MacElree Memorial Fund at the Community Foundation in 2005. Tony explains, "Nick and I were friends since childhood. While I attended Dickinson College and Nick attended Gettysburg College, we kept in close touch. Nick's battle with cancer made a deep impression on me." Betty adds, "It is our honor to continue to shine Nick's light in a world he loved so much. Through the grants we make with his Memorial Fund at the Community Foundation, Nick's spirit lives on."
