Hirtle Callaghan also retains and directs the activities of the independent custodian, and all other vendors involved in providing data, analysis and other services used to manage the portfolio. Hirtle Callaghan provides quarterly statements and performance reports, net of all fees, with comparisons to relevant benchmarks.

Medallion Investment Partners Separately Managed Invested Assets

The Medallion Investment program gives you the opportunity to establish a donor advised fund at the Foundation, while having a qualified advisor you choose continue to manage the asset and receive investment management fees.

It all adds up to a winning formula:

- donors supply the charitable passion,
- wealth managers & investment advisors supply the investment expertise,
- the Community Foundation supplies the charitable legacy vehicle.

All get credit for the perfect charitable solution.

- Medallion status is awarded to investment firms which pass an annual due diligence review undertaken by the Foundation's Investment team.
- Medallion funds are separately managed, non-aggregated funds, which receive their own investment return.
- The minimum amount to start a fund in the Medallion program is \$250,000 with the intent to grow to at least \$1 million.
- The minimum for non-Medallion investment partner program funds is \$25,000.

There are Three Levels of Medallion Investment Partners for Separately Managed Accounts
