

Amy Kovach

April 4, 1992 – January 26, 2025

Born on April 4, 1992 in Phoenixville, Amy was the cherished daughter of Ernest and Elaine. Amy lived in Phoenixville through high school and was the proud graduate of Phoenixville High School class of 2010.

While at PHS, Amy played varsity tennis and contributed to various clubs and organizations including National Honor Society and The Fund for Women and Girls Advisory Board. Amy went on to Penn State University where she earned a bachelor's degree in civil engineering. She later went on to Villanova where she obtained a master's degree in environmental engineering and water resources.

Professionally, Amy was a proud member of the Society of Women engineers and always looked for a way to give back to the future professionals in her field. She worked at Pennoni as a civil and water resources engineer.

Amy was diagnosed with Pancreatic Cancer in 2023 after years of battling pancreatitis and other related issues. Amy chose to be resilient and fight her diagnosis both personally and for others who are also inflicted with this disease. Amy founded *Amy's Purple Warriors*, dedicated to raising awareness of and support for pancreatic cancer research and those impacted by pancreatic cancer. Amy will be remembered as a strong, resilient woman who fought until the end.

Amy Kovach passed on Sunday, January 26, 2025 at the age of 32. She is survived by her loving and devoted husband Joe, and her cherished son, Myles, who brought immense joy to her life. She is also survived by her loving parents, Ernest and Elaine; her sister, Stacey Godman (Robert); her brothers, Daniel Reimer and Kevin Reimer (Susannah); and many other family members and friends who will deeply miss her warmth, generosity, and light.
