--- 1. Brief mission statement and describe the distinguishing features of your organization that supports the mission of TERF and the relevance to this proposal. ---

MidAtlantic Horse Rescue Inc purchases thoroughbred ex racehorses from auctions and feed lots and transitions horses directly off the track. After quarantine and careful evaluation, they are placed in loving homes as sport horses and pets.

--- 2. Briefly outline 3-5 goals for the requested funds and how these goals support your mission. ---

- 1- provide access to top trainers for owners and riders of thoroughbreds, providing training opportunities for MAHR graduates and others
- 2- Highlight our program and facility to the general public (spectators and auditors)
- 3- Promote the versatility and athleticism of the thoroughbred
- 4- offer alternative training strategies to owners and riders of thoroughbreds.

These goals help promote our program, increase adoptions, and provide solid foundations for owners and riders of thoroughbreds

--- 3. Provide a detailed description of the proposed project, how it is related to the mission of TERF and how it will impact the health and welfare of the horse. (Note: research applications should be

understandable to a non-scientific audience and include sufficient detail and rigor for the scientific reviewers.) ---

Series of thoroughbred only clinics held at the farm with various top professionals in different equestrian disciplines (eventing, jumpers, hunters, dressage, trail). This provides a valuable educational resource to owners and riders of thoroughbreds in new careers, promoting adoption and second careers.

--- 4. Provide a timeline detailing the expected progress of the project and specific milestones. ---

May 2024-March 2025 5-6 clinics open to 15-25 riders in each clinic - number of clinics depends on daily charge by each clinician, scheduling depends on clinician availability and weather.

--- 5. Provide a detailed budget for the projected use of the funds. (Note: no funds will be provided for administrative overhead or capital spending; TERF reserves the right to modify funding based on Foundation requirements). Attach budget to submitted proposal as needed. ---

2 clinics @ \$1500 each, 3-4 clinics at \$800-850 each.

--- 7. Briefly summarize your charity's past public education and research efforts. ---

Regular TERF thoroughbred only clinics, sponsor and participant Thoroughbred Makeover, booths at regional equestrian events, sponsors of thoroughbred awards at regional and national events, etc.

--- 8. If you received funding from TERF previously, describe how these funds were used and outcomes achieved. Include any relevant publicity your charity received relating to the funding. (i.e.: media coverage, such as news articles, scientific publications, provide links to copies, as appropriate). ---

5 clinics were held total cost of \$4000-, 83 riders participated- the final clinic was postponed due to inclement weather, rescheduled for May 2024 (\$1500 cost) (projected 25 participants)

--- 9. List other organizations or major contributors that have provided funding to your organization in the last calendar/fiscal year. For research grant applications, provide a list of all current funding relating to your current proposal. ---

Major donors:

Thoroughbred Aftercare Alliance \$150K  
Thoroughbred Charities of America \$10K  
Beyond the Wire Approx \$60K (varies)  
Delaware Park \$15K

--- 10. Name a responsible person with whom TERF may communicate regarding specific questions and who will be responsible for follow-up information regarding the project. ---
