Emily Dina

Marketing and Business Affairs Associate Chester County Community Foundation

Emily Dina began working at the Chester County Community Foundation in May 2023 as an Advancement Assistant. In May 2024, she transitioned into a full-time position working in both Marketing and Business Affairs. In this capacity, she created articles, website content, and social content alongside the marketing team to further the goals of CCCF and CC250. She helped create and distribute print and digital marketing, as well as assisting in special event planning.

Emily earned her BA in Media & Culture from West Chester University. She graduated on the Dean's List with Summa Cum Laude. Emily was a founding board member for a nonprofit organization, A Moment of Magic at WCU, and eventually became the President. She enjoyed connecting with families and children in the community, as well as overseeing the WCU chapter of the organization. She currently lives in West Chester.
