**For Good. For All. Forever.**

**Describe Briefly:** As part of the America250 Mural Project, the American Legion, Post 134, is providing a prominent east-facing wall on the exterior of our East Gay Street building for a public mural — a lasting public artwork at the gateway to West Chester (see photo) to mark the 250th anniversary of the signing of the Declaration of Independence. The purpose of the America250 mural is to honor the history, diversity and evolving identity of West Chester and to uplift the shared story of the Borough — past, present and future.

**What are you doing?** The public mural will help tell West Chester's story — boldly and beautifully — as it invites public engagement and education. Its purpose is to celebrate West Chester's rich and layered history — including such themes as its Indigenous roots, abolitionist past, industrial development, immigrant and cultural communities, and vibrant civic life. It will reflect the historical significance of the Borough and its role in the broader American narrative, while drawing on local history, patriotism and a call to service among its residents.

**When?** More than a dozen applications have been received in response to a publicly released Call for Art. All submissions are now in the process of being reviewed by a community panel to select the winning proposal for this site. An announcement is scheduled for late January 2026, with work on the mural to begin when the weather permits in the spring.

**Who will it impact?** The mural will impact tens of thousands, all who drive into West Chester along Gay Street — residents and visitors alike, as well as pedestrians and those who live in the neighborhood. The impact will last well beyond the America250 festivities, as part of the Borough's growing collection of public murals which is become part of the fabric of our town. In addition, artists from all backgrounds, including historically underrepresented communities, were strongly encouraged to apply to create this original piece of public art.

**What difference do you aim to make?** This project will have a lasting impact on West Chester and all those who view it. The artwork will enhance the neighborhood's aesthetics and foster civic pride through beautification.

**What will it cost overall?** The estimated total cost of the mural project is \$16,500, with \$15,000 earmarked for payment to the mural artist to cover the mural's creation (materials, equipment, insurance). Additional funds will be used for the unveiling ceremony and other related expenses.

At present, the project has financial commitments from the West Chester Borough, Mayor DeBaptiste's office, and the American Legion. Combined these pledges provide almost 1/3<sup>rd</sup> of our goal. As well, arrangements are being made for a Dine & Donate night at a local restaurant with a percentage of proceeds going to the project, and a straightforward public Call for Donations campaign is being developed.

**Who are you partnering & coordinating with?** We are coordinating with West Chester's Public Arts Commission (contact: Jimmer Breen, Chair), for their experience in developing and orchestrating public mural projects, as well as West Chester's Mayor, Lillian De Baptiste.
